Rodale's says:

Best Shore Diving - Best Beginner Diving

SPLASH DIVE CENTER, INC

Bonaire is rated as one of the best places in the world to dive, and ranks first place in the world for shore diving, and first place in the entire Caribbean for dive destination, macro life, fish life, underwater photography, healthiest marine environment, and beginner diving.

In May 2004, Splash will lead two overlapped trips to Bonaire. Trip A will leave on Wednesday, May 26, from BWI, and Trip B will leave on Saturday, May 29. Both trips will return together on Saturday, June 5. The trips go over Memorial Day, so you use less annual leave!

Trip A will involve 9 days of diving; Trip B will have only the usual 6 days of diving. Trip A will give 50% more diving for only 24% more cost!

Splash suggests Trip A for those new Open Water students who have taken the classroom and pool work during the winter months, and are looking for a warm-water trip on which they can do their four certification dives and then just spend some fun time diving.

Open Water Certification and various specialty training available.

Open Water Certification on the trip will be discounted to just \$100.
